Fitchburg Police Officers who participated in the investigation of Defendant as Task Force Agents for the U.S. Drug Enforcement Administration, and who were familiar with Defendant based on Defendant's prior interactions with the Fitchburg Police Department, identified the individual who was conducting drug transactions and/or meetings with the CS and UC in this matter as Leo Beatty.

With respect to other forms of identification of Defendant, the undersigned attorney for the government has no information indicating that Defendant was the subject of an investigative identification procedure used with a witness the government anticipates calling in its case-in-chief involving a line-up, show-up, photo spread, or other display of an image of Defendant. In the event that I become aware that such a procedure was used, I will immediately advise you at that time and provide you with copies of any tangible evidence reflecting, used in, or memorializing the identification procedure.

G. Exculpatory Evidence under Local Rule 116.2

With respect to the government's obligation under Local Rule 116.2(B)(1) to produce "exculpatory evidence" as that term is defined in Local Rule 116.2(A), the government states as follows:

1. The government is aware of no evidence that would tend directly to negate Defendant's guilt concerning any count in the Indictment.

2. The government is aware of no information that would cast doubt on the admissibility of evidence that the government anticipates offering as part of its case-in-chief and that could be subject to a motion to suppress or exclude.

3. The following promises, rewards, or inducements have been given to the CW whom the government anticipates calling in its case-in-chief:

The CW has been a confidential informant for DEA in this investigation since in or about September 2004. The CW has received payments for his/her assistance to DEA in this investigation and has previously received payments from DEA for his/her involvement in past, unrelated investigations. The government will supplement this information, including a statement of specific amounts of payments received by the CW for his/her assistance, in subsequent disclosures at the appropriate time. In addition, although the government does not consider them promises, rewards or inducements, the CW has also received reimbursements for expenses relating to his/her participation in some of these investigations.

Although the government is making the requisite disclosures about CW pursuant to Local Rule 116.(B)(1), the government declines to reveal CW's name at this time. Under separate cover, the government is sending a declination letter pursuant to Local Rule 116.6 to the Court in regard to this matter.

4. Except with respect to the CW, the government is unaware that any of its named case-in-chief witnesses have criminal records. A copy of the CW's criminal record will be produced at the appropriate time.

5. No named percipient witness failed to make a positive identification with respect to the crimes described in the Indictment.

H. Other Matters

The government recognizes that its duty of disclosure and discovery as set forth in Local Rule 116 and Rule 16 of the Federal Rules of Criminal Procedure is a continuing one.

In addition, please consider this letter to be a request for reciprocal discovery pursuant to Local Rule 116.1(D) and Fed. R. Crim. P. 16(b). I request that you provide a written response to my request for reciprocal discovery within 10 days of receipt of this letter.

As required by Local Rule 116.4(A)(3), I have, under separate cover, sent one (1) copy of the records containing the consensual recordings to Wyatt Detention Center, 950 High Street, Central Falls, RI, 02863, where Defendant is being detained.
